## **Seven & i Holdings Comments on the Press Release from Alimentation Couche-Tard Inc.**

Seven & i Holdings today made the following statement in response to the press release issued by Alimentation Couche-Tard Inc. ("ACT"):

"As our board has previously discussed and stated, we do not believe that the proposal ACT put forward provides a basis for us to engage in substantive discussions regarding a potential transaction. This is precisely why we have not asked our advisors to engage in further discussions or signed an NDA.

**"We remain open to engaging in sincere discussions should ACT put forth a proposal that fully recognizes Seven & i's standalone intrinsic value and addresses the Special Committee's very real regulatory concerns."** Unless and until ACT does so, Seven & i will focus on executing its business and pursuing the actionable avenues we see to realize and unlock shareholder value in the near- to medium-term."
