Seven & i Holdings Selected for the Fourth Consecutive Year as a Company Featured in S&P Global's Sustainability Yearbook

Seven & i Holdings Co., Ltd. (Head Office: Chiyoda-ku, Tokyo / President & Representative Director: Ryuichi Isaka) hereby announces that we have been selected as a company featured in the Sustainability Yearbook 2025. This is the fourth consecutive year we have been selected for this honor since its foundation. We are the only Japanese company selected in the "Food & Staples Retailing" industry.

S&P Global Inc. conducts corporate sustainability assessments (CSAs) from the perspectives of the economy/corporate governance, the environment and society on major companies around the world. It selects the top 15% of companies with a particularly high evaluation in each industry to be featured in the Sustainability Yearbook. The company conducted the 2024 CSA on more than 7,690 companies around the world from 62 industries. Of those, it selected 780 companies to feature in the Sustainability Yearbook 2025. We have also been selected through the CSA as a constituent of global ESG investment indices: the Dow Jones Best-in-Class World Index*¹ and the Dow Jones Best-in-Class Asia Pacific Index*².

*1. The name of this index was changed from the Dow Jones Sustainability World Index on February 10, 2025.

*2. The name of this index was changed from the Dow Jones Sustainability Asia Pacific Index on February 10, 2025.

We believe that our commitment to engaging in dialogue with our stakeholders, sincerely responding to their voices, and continuously addressing social issues through our core business has led to this global recognition.

The Seven & i Group, together with our stakeholders, will contribute to the realization of a sustainable society with the aim of becoming a "sincere company trusted by all our stakeholders."
