Seven & i Holdings Earns FTSE Russell ESG Score of 4.7

Seven & i Holdings Co., Ltd. (Head Office: Chiyoda-ku, Tokyo /Representative Director & President: Stephen Hayes Dacus) hereby announces that FTSE Russell has evaluated the company with its ESG Score of 4.7 (out of a maximum of 5) by measuring the performance for potential ESG (environmental, social, governance) risks applied to each company's unique circumstances. The ESG Score of 4.7 surpasses last year's evaluation and represents the highest rating the company has ever received. The company recognizes this score as the result of its efforts to solve social issues through its core business while also receiving the opinions and cooperation of all its stakeholders.

The Seven & i Group aims to be "a sincere company that all its stakeholders trust." The group will continue to proactively tackle global social issues such as climate change and to contribute to the realization of a sustainable society together with all its stakeholders.
