# About this Report

For the CSR Report 2011, the editorial method has changed from last year's report, which looked at the activities of each operating company. The activities of the holding company and those of the overall Seven & i Group are the focus of this report. This report was prepared in accordance with the five Challenges Facing the Seven & i Group set in 2009, taking into consideration the opinions of outside experts. (The Challenges were selected referring also to ISO26000, which are international standards on social responsibilities.) Overseas activities are reported on separate pages.

Data related to CSR of the six domestic operating companies are available on our website. They are provided for each operating company, including items not covered in this Report.
