

Stakeholder Engagement

Since its foundation, Seven & i Holdings has aimed to be a sincere company, trusted by all of its stakeholders, including customers, business partners, shareholders, local communities, and employees. We believe it is important to strive to understand the requirements and expectations that stakeholders have of Seven & i Holdings and the Group, and to respond to these.

For this reason, Seven & i Holdings and its Group companies will strive to respond quickly to feedback from our stakeholders-the opinions, desires, areas of dissatisfaction, requests, and so forth, that we receive through our dialogue with them. We will reflect this feedback in our management decision making process and business activities.

Seven & i Holdings' Stakeholders

Engagement with Stakeholders		Main Engagement Methods	Main Response Policy
Customers	We constantly think of things from the customer's point of view, and to earn our customers' trust we value communication, and will continue to respond to their feedback.	<ul style="list-style-type: none"> • Daily operations • Inquiries to the customer feedback department • Customer questionnaires • Website community that invites customers to participate 	<ul style="list-style-type: none"> • Provide products and services that enrich customers' lives • Improve products and services and ensure safety • Label accurately in an easily understandable manner • Manage personal information appropriately • Promote universal design
